

March 24, 2020

Greetings,

Lambright Pest Control Services, Inc. (LPCS) is open for business and will continue to provide all residential and commercial customers with pest control services, as Lambright Pest Control Services, Inc. is deemed a provider of an essential service.

The health and safety of our employees and customers is our highest priority. As the Coronavirus (COVID-19) continue to impact the communities we live and serve, to help ensure everyone's safety, we are taking additional precautionary measures to protect our customers and employees.

In order to limit the potential spread of COVID-19, all staff are required to:

1. Provide exterior service only, and if interior service is critical, wear a mask or goggles
2. Frequently wash your hands and use sanitizers
3. Use disposable gloves
4. Refrain from shaking hands with our customers
5. Practice social distancing
6. Maintain a respectful distance, communication in person should be no closer than 6 feet
7. If possible try to execute paperwork and payments remotely
8. Stay home if you are showing any cold or flu symptoms

Importantly, LPCS will continue to diligently monitor developments regarding the COVID-19. We remain committed to responding to the needs of our customers and employees as this situation evolves.

In Good Health,

Tyrone Lambright, Sr.

President
Lambright Pest Control Services, Inc.
